

Commercial Kitchen Exhaust System Cleaning

The following companies are listed as providing inspection and cleaning services for commercial kitchens.

This is not an exhaustive list. Any company wishing to be added to this list should contact City Hall at 306-236-3622 or fax 306-236-4299

The City of Meadow Lake does not recommend or endorse any particular company. This list is provided as a service to local restaurant operators.

Restaurants are required to have their kitchen exhaust systems and kitchen fire suppression systems inspected and cleaned by qualified persons or companies every 6 months at a minimum.

Persons and companies providing commercial kitchen exhaust system inspection and cleaning services must be trained, qualified and certified in accordance with NFPA 96, *Standard for Ventilation Control and Fire Protection of Commercial Cooking Operations*
