

CITY OF MEADOW LAKE

RESCINDING OF DRINKING WATER ADVISORY

This notice is to advise that the City of Meadow Lake is rescinding the Drinking Water Advisory issued to the following residents on January 16, 2017 effective **January 26, 2017 at 12:00 p.m.**

This notice applies to the residents of Clark Crescent and the 600-700 blocks of 3rd Street West.

The advisory is being rescinded as all necessary repairs have been made and the system has been re-pressurized and flushed. Disinfection has been verified by two consecutive sets of negative bacteriological tests from representative areas of the effected portion of the distribution system.

Please contact City Hall at 306-236-3622 if you require any additional information.
