

RESCINDING OF DRINKING WATER ADVISORY

This letter is to advise that the City of Meadow Lake is rescinding the Drinking Water Advisory issued to the following residents and businesses on July 25th effective **July 25, 2017 at 3:00 p.m.**

The notice applies to be the residents of the Bauman Street, 402 6th St West and 618 4th Avenue West.

The advisory has been rescinded because no disruption to the water distribution system was required in order to complete the scheduled work. Therefore, no drinking water advisory is required at this time.

Please contact City Hall at 306-236-3622 if you have any questions or need any additional information.
