DISCLAIMERS:

The Fire Department has final say on **when, where and how** fireworks will be exploded. Not all properties are suitable for fireworks display. The Fire Chief will not grant permission when safety is a concern and may stop the display at any time.

The permit holder assumes all risk and shall be liable for any damages or injury resulting from the firing of fireworks.

The permit holder shall inform all residents located within 200 metres of the firing area, at least one day in advance, of the date and time of the intended display. The fireworks shall be discharged a minimum of 30 metres from any building, or the maximum stated range of the product, whichever is greater. Fireworks shall not be fired in windy or dry conditions.

The permit holder shall remove all debris following the fireworks display
